

July's treatment of the month

The modern skin facial!

A NEW facial from Elemis

Designed to meet the challenge of skin that is reacting to the stresses of modern living, the Modern Skin Facial is bursting with anti-oxidant rich minerals and vitamins – a purifying treatment that helps remove damaging toxins, regenerate skin cells and rebalance sebum.

The result? A clearer, radiant and more balanced skin...

...be one of the first to benefit for just £45! (RRP £60)
